The Charles H. Tweed Study Group of New York

The Charles H. Tweed Study Group of New York was organized in June, 1942 for the study and practice of orthodontics in accordance with the philosophy and principles laid down by Charles H. Tweed.

Meetings are held at monthly intervals throughout the year and such topics as the following have been informally presented and discussed:

"Band Positioning," "Extractions of the First Premolar Bud as a Preliminary Measure in the Treatment of Class, II, Div. I, Deciduous Dentures," "The Avoidance of Caries During Orthodontic Treatment," "A Presentation of Photographs of Class IV Cases," "Use of the Vertical Loop Spring," "The Time Factor in Orthodontic Treatment with the Edgewise Arch Mechanism," "Radiographic Interpretation in its Relation to the Problem of Root Resorption."

The following is a list of members of the Study Group: Dr. Josephine Abelson, Dr. M. Peter Breidt, Dr. Harry L. Bull, Dr. Bercu Fischer, Dr. A. V. Greenstein, Dr. William Joule,* Dr. W. C. Keller, Dr. A. H. Lubowitz, Dr. H. I. Margolis, Dr. Sidney E. Riesner, Dr. Otto J. Sorenson, Dr. Brainerd F. Swain,* Dr. Glenn H. Whitson, Dr. R. H. W. Strang, Sponsor.

THE ANGLE ORTHODONTIST is acting as official publication for this organization, publishing announcements of meetings, abstract of society proceedings, and papers and presentations which are prepared and accepted for publication in full.

Chicago Association of Orthodontists

The March meeting of the Chicago Association of Orthodontists was held on March 30, 1942, at the Palmer House. Dr. Harold J. Noyes, Northwestern University, presented a paper on "Classification of Malocclusion." (Printed in full in THE ANGLE ORTHODONTIST, 12:39, Jan. 1942.) A discussion by Dr. William B. Downs followed.

HOWARD E. STRANGE, *Secretary*

The proceedings of the April meeting of the Chicago Association of Orthodontists were recorded in the April issue.

The regular meeting of the Chicago Association of Orthodontists was held on September 28, 1942, at 3:00 P.M., at the Palmer House. Dr. Allan C. Brodie presented a paper on "Osteology and Myology of the Head and Neck." At the evening meeting a paper on "A Symposium on the Management of Jaw Fractures" was presented by Dr. Kenneth W. Penhale and Dr. Chester F. Wright.
